During end-of-term processing, student records will be updated to reflect Academic Warning, Probation or Suspension, if earned. Students are notified of their academic status.

## **Academic Warning**

A student who does not earn a minimum of a 2.00 cumulative grade point average (GPA) for the semester will be placed on academic warning for the next semester of attendance. The student should meet with an academic advisor to determine the course of action needed to improve the student's academic performance.

## **Academic Probation**

A student on academic warning who does not earn a minimum of a 2.00 cumulative grade point average (GPA) upon completion of the warning semester will be placed on academic probation for their next semester of attendance. Failure to earn a 2.00 cumulative GPA during the probationary term will result in suspension at the end of the semester.

## **Academic Suspension**

A student who fails to earn a minimum of a 2.00 cumulative grade point average (GPA) during the probationary semester will be placed on academic suspension and removed from all enrolled courses by the Registrar's Office.

Students on academic suspension are ineligible to enroll for one semester. After suspension, the student is placed on academic probation and may reenroll.

Academic Deans and Department Chairs have the authority to override an academic suspension.
