---

President

- A. The Superintendent of Building and Grounds shall maintain a complete set of all external and interior college keys in a secure and organized manner.
- B. All full-time College employees shall be issued only the necessary interior and exterior keys to allow them access to their specific work area(s).
- C. A complete set of College keys may be requested and issued to the following:
  - 1. President
  - 2. Vice Presidents
  - 3. Maintenance personnel
  - 4. Currently contracted security firm
  - 5. Superintendent of Building and Grounds
  - 6. Campus Provosts and Campus Directors
- D. All employees terminating employment with the College must turn in keys to the Superintendent of Building and Grounds or their immediate supervisor.
- E. All requests to have locks changed or re-keyed must be submitted to and approved by the Superintendent of Building and Grounds and the Vice President of Finance and Administration.
- F. Periodically the Superintendent of Buildings and Grounds shall recall all exterior and/or master keys for re-issuance.
