Any student who wishes to change their major will need to complete a "Change of Major" form located on the College website.

- A. Change of Major forms submitted prior to the end of Add/Drop for a full term will be processed for that term.
- B. Change of Major forms submitted after the end of the Add/Drop for a full term will be processed effective for the subsequent full term.

Students interested in changing their major to a limited access program (i.e., Associate Degree Nursing, Radiologic Technology, etc.) are required to follow the same application process as any new applicant seeking admission to that program.
