

# VIP TREATMENT TRAINING CENTER

Grand Strand Campus

We use exclusive professional products that are customized for all skin types during the service.

Treatment times may vary, depending upon the condition of your skin, stress level, discovery of additional service needs, or other factors during the consultation.

Starting Prices are quoted during the consultation but are subject to increase depending upon the amount of product or supplies used.

The VIP Training Center in Myrtle Beach offers services by appointment only.

Please understand that messages may go unreturned when the center is closed, as practice centers are for technical training, not private businesses. Thank you!

All services are performed by esthetic students under the supervision of a licensed instructor.
